Checklist – please check each item to ensure that a completed application is submitted.

1. Form

- Completed *Part 1 – Evaluation of National Register Status* form.
- Form has the applicant’s original signature and must be dated.
- On item 3, the applicant must check either box (1) or (2).

2. Attachments (photographs, photo key plans, district map)

- If the property is a building within a National Register historic district, please attach a map highlighting the location of the property within the boundaries of the district. Maps without the National Register boundaries **are not** acceptable. National Register maps are available from the Kentucky Heritage Council’s National Register Coordinator.
- A plan of each floor of the building as it appears before rehabilitation. This plan is not required to be drawn by an architect and can be done on graph paper. Interior photos must be keyed to these plans. These plans should not exceed 11x17” in size and should be in a single PDF document for electronic submission.
- A site plan of the building as it appears before rehabilitation. This plan is not required to be drawn by an architect and can be done on graph paper. Exterior photos must be keyed to these plans, which should not exceed 11x17” in size in size and should be in a single PDF document for electronic submission. .
- Photos of the building as it appears prior to rehabilitation.** If the project has already started, please contact Kentucky Heritage Council Site Development staff before submitting an application.
- A photo of every outside face of the building taken from far enough away so that the entire façade is visible. If not possible (due to adjacent buildings or trees), please attempt to show as much of the façade as possible. This will require at least 4 photos plus any additional “detail” photos necessary to show important historic fabric or areas of damage and or deterioration.
- A photo of every interior room of the building (including areas where no work is being proposed). Please show some portion of both the ceiling and floor. If not possible, submit two photos, one slightly higher showing the walls and part of the ceiling, and a second slightly lower showing the walls and part of the floor. At larger rooms, please stand in the corner and photograph toward the opposite corner, then go to that opposite corner and photograph from the other direction. A typical residential house will need 50 or more photos. Large or complex projects often require more photos to illustrate the various elements and areas of the building.
- A photo of the neighboring buildings/site/environment that surround this building. A typical residential house will need a photo of the houses across the street and also a photo taken far enough away to show the property and its two neighboring houses.
- Photos must be submitted according to the Photo Form's formatting.** All of the photos should be included in a single PDF. Refer to the electronic submittal instructions and Photo Form directions for more details.
- Photos should be numbered and correspond to a Photo Key Plan.
