

ARCHAEOLOGICAL SITE SURVEY SHORT FORM

1. County: _____

2. Landowner name (address & phone #, if you can): _____

3. List of artifacts collected and/or seen (Be brief. Attach either outline drawings or photos/photocopies of points or other diagnostics if possible; or show artifacts to archaeologist):

4. Kind of site (e.g. rockshelter, cave, mound (stone or earth), open site): _____

5. Land use of site locale (e.g., agricultural field, woods, pasture): _____

6. Vandalism (how much?): _____

7. Ground surface visibility (poor, fair, good, excellent): _____

8. When were you there? _____ and for how long? _____

9. Photocopy USGS quad map or county highway map with site located on map clearly. (This will be used later to determine site size, boundaries, proximity to water, soil type, etc.)

10. Additional comments concerning the site; circumstances surrounding your discovery; anything else you think should be recorded.
