Volunteer Recognition Program

(Here's a great way to recognize your Main Street volunteers and it's FREE)

Would you like to say **"thanks"** to your dedicated volunteers? The Kentucky Commission on Community Volunteer Service can issue Certificates of Appreciation and/or Governor's Citations signed by the governor **at no cost to you!** Please submit your citation and certificate requests **early** and allow plenty of time for us to process and return your recognition documents (**4 weeks before event**, if possible). Remember that larger quantities of certificates and citations are available, if requested and approved. (Main Street falls under large quantities if you are doing this for your whole board) Thanks for your cooperation -don't forget to thank your hard-working volunteers this year.

Certificates are 8.5" x 11" printed on white certificate paper with the governor's signature. They are an ideal memento and commendation for large numbers of volunteers. **Certificate Wording:**

This certificate is presented to <Name> on behalf of the Governor of the Commonwealth of Kentucky, and the Cabinet for Health and Family Services, through the Kentucky Commission on Community Volunteerism and Service.

Citations are 11" x 17" parchment paper with the date, governor's signature and state seal. Citations are especially appropriate for special recognition. **Citation Wording:**

The Commonwealth of Kentucky, through the Cabinet for Health and Family Services and the Kentucky Commission on Community Volunteerism and Service <Name> Greetings, Be it Hereby Known, because of your demonstration of high integrity and ability, meriting our great trust and respect, we are most pleased to award you this Governor's Citation in sincere appreciation of your outstanding services to the Commonwealth of Kentucky and its citizens.

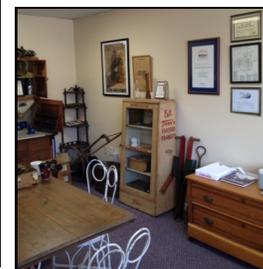

- **Electronic submission is preferred** (reduces chance for spelling errors). Shannon.ramsey@ky.gov
 - Make sure to double check all spelling before submitting a request.
 - Allow at least two weeks for processing and return mail service.
 - For citations only, specify the date to be printed on the citation.
 - Please limit the number of certificates requested to **50**.
 - Please limit the number of citations requested to **10**.
- If more are needed, contact the KCCVS for prior approval.

1. List names as you want them printed on the certificate, e.g. Mary G. Smith not Smith, Mary G. Do not submit in names in all CAPS. (Double check your spelling!)
2. Specify the date by which the certificates/citations are needed.
3. Specify the purpose of the certificates/citations.
4. Provide your mailing address and phone/e-mail contact information.
5. Submit required information to Shannon.Ramsey@ky.gov

This week we got to visit with Jeff Thoke of New Castle and Eilene Collins of Shelbyville. New Castle is one of our smallest nationally accredited communities and the birthplace of author, Wendell Berry. It has a strong patriotic base and a WWII presence. Jeff will be asking more of us for a WWII event next year so stay tuned!

Jeff also has a very cool office with a sense of history. Lots of neat antique items and a window on the street that makes the office very inviting, almost like the "Today Show" where people drop in just to say hello! 🌈

I love seeing Eilene, she has the best smile! This was a short visit as we dropped off a replacement award for her volunteer, Hubie Pollett, whose plate met an unfortunate demise.
