

221 West 12th Street

221 West 12th Street (also known as 1201 Banklick, Figure 1) was a non-historic Ameristop FoodMart convenience store, probably of 1980s vintage. Sanborn maps as late as the 1940s show a pair of row houses on this location, facing Banklick Street. Ameristop is a franchised chain of convenience stores begun in 1967, with locations primarily in the Ohio Valley.¹
