

KENTUCKY MAIN STREET

A program of the Kentucky Heritage Council

Student Technology Leadership Project Project Areas

“A Day in the Life of my Main Street ____”

Category: Community Service or Instructional

- ❖ What is a day like in your downtown – on your Main Street? Find creative new ways to tell your story that represents the places, businesses and people that makes your downtown special.
- ❖ This project would be ideal for video, storybook and other mass media uses.

“SHOP Local, SHOP Downtown”

Category: Technical Expertise

- ❖ Create a technology product to show the economic and community value for shopping locally.
- ❖ Students may also design a retail product that promotes shop local – shop downtown. See if the products could be sold in your downtown.
- ❖ This project would be ideal for video and social media.
- ❖ Looking for ideas? Here are a few online resources...

- ❖ <http://www.shopbellevueky.com/>

“Old is the NEW Green”

Categories: Community Service or Instructional

- ❖ Design a technology project using your historic buildings!
- ❖ This project topic is great for science lovers who can track embodied energy saved through reuse of historic buildings.
- ❖ This project topic is also great for math lovers who can calculate how much landfill waste is created when historic buildings are demolished. Here are some online resources...

STUDENT TECHNOLOGY LEADERSHIP PROJECT CATEGORIES

Community Service:

Projects that extend outside the classroom to help the school/community

Instructional:

Projects that impact instruction and help with student or adult learning

Technical Expertise:

Projects with a purpose; in-depth and specific use of hardware or software

For more:

Visit <http://stlp.education.ky.gov/handbook/>

What is STLP? The Student Technology Leadership Project is a project-based learning program that empowers students in all grade levels to use technology to learn and achieve. All

KY public schools can participate! Student project competitions take place each spring, with prizes awarded and the top 3 projects advancing to the national STLP competition.

For more information including the STLP handbook, competition dates and deadlines along with numerous student/teacher resources, go to <http://stlp.education.ky.gov/>

The Kentucky Main Street Program is administered by the Kentucky Heritage Council/State Historic Preservation Office, with more than 40 communities currently participating. Founded in 1979, Kentucky Main Street is a proven downtown economic revitalization tool documenting billions of dollars of private investment into new downtown businesses, upper story housing and historic buildings.
