**Shop Local Kentucky Week**  
December 1-7, 2014

Support locally owned,  
independent businesses this holiday season.

A message from Shop Local Kentucky:

We petitioned for a proclamation from the state and got DENIED due to 'Small Business Saturday' - sponsored by American Express. Nothing says small business like corporate sponsorship, so we are going to do it anyway, without permission, no corporate sponsors. If you are a small, independently owned business and want to get involved, go to [http://eepurl.com/3C3\\_9](http://eepurl.com/3C3_9)

**It's for you!**

Here is some great information from Main Street director, Julie Wagner.

Many Main Street Programs have hard-lines for our office telephone. The rates seem to be increasing at an alarming pace – cramping our already tight budgets! If you have one phone line - no fax lines or other amenities – contact ATT about the Home Wireless Phone System. Harrodsburg First reduced our phone bills from \$127/month to \$20/month by canceling the hard line and picking up the wireless system. PLUS we got to keep call waiting, call forwarding, caller id etc.! AND ATT did all the legwork on switching over the lines etc. All I did was walk out with a \$40 router.

Some late additions!

September 25-28  
London, Kentucky  
Celebration 25 years!

For more information on events and times go to <https://www.facebook.com/worldchickenfestival>

You can eat at the original Kentucky Fried Chicken restaurant and see the museum or take in some of the chicken from the worlds' largest skillet!

Delicious fried chicken dinners are served from the benchmark feature of the festival — **The World's Largest Stainless Steel Skillet.**

The skillet is operated by World Chicken Festival volunteers and has served more than 120,000 fried chicken dinners since its inauguration in 1992. The world's largest known frying skillet was manufactured by London Bucket Co., Inc. in September 1991, and donated to the World Chicken Festival.
