

Main Street Monday!

February 9, 2026

Kentucky weather is trying to give us the Cortina, Italy experience. You are always a gold medalist when you are support local in our KYMS communities.

We had a great time showcasing Kentucky Main Street communities today at WHAS Great Day Live. Thanks to Steve Stivers-Bardstown board member & owner of Making Good Scentz, La Grange Main St director-Sarah Garrett, Hannah Stone from Madeline's Nibbles and Wine in La Grange and the other merchants Cactus Annie, City Girl, and more for helping us promote shopping local in all of our Main Street communities across the state!

Since its debut in 2017, the AARP Community Challenge has invested \$24.3 million in 2,100 livability projects, with a focus on meeting the needs of adults age 50 or older.

Applications are due by March 4, 2026 - [2026 AARP Community Challenge](#)

The program is open to IRS-recognized nonprofit organizations, such as those designated 501(c)(3), 501(c)(4) and 501(c)(6), as well as to local governments.

The icy missing tooth smile.

Please be aware of your surroundings. This week I witnessed a large sheet of ice detach from the rooftop of a three-story building. Fortunately, it struck a lower awning and shattered but ice pieces hit a water utility worker. The sidewalk is now closed due to the risk of what will be additional ice falls as temperatures rise. These hazards are located in areas that owners may be unaware of and they are inaccessible to building owners. Take a moment to inspect your downtown surroundings.

LOVE YOUR DOWNTOWN

Valentines, Galentine's, Palentine, what ever and who ever you are celebrating our downtowns have everything you need to be ready for Saturday!

Write your favorite store a love note or write a love letter to your downtown. You might even heart bomb the downtown with hearts to tell them how much you love them!

This month we also celebrate Kentuckians who have made and are making a difference. From trailblazing leaders and entrepreneurs to artists, educators and business owners who continue to strengthen our communities. We celebrate the impact they've made, and continue to make in our shared Kentucky story.

Love Your Downtown and your historic structures! Do you live in a National Register District? Do you own an historic downtown property? Are you an elected official in a historic town? Tune in to this Live Webinar to learn more about how historic tax credits can work for you! March 5th 6:00 PM EST

Did you know KY also has an African American Heritage Trail. Learn more kentuckytourism.com

HISTORIC REHABILITATION

TAX CREDIT PROGRAM

LIVE WEBINAR

Are you a city official, preservation commission member, or local realtor?

This free webinar will teach you how this program can benefit your constituents. Also open to the general public, owners of historic homes and buildings are encouraged to attend.

THURSDAY, MARCH 5, 2026

6:00 PM ET | WEBINAR

Join us for a virtual workshop about KY's Historic Rehabilitation Tax Credit Program and learn how it can support the rehabilitation of historic homes and buildings across the state. This session will provide an overview of how the program works, who is eligible, and how it is a great tool for preservation, revitalization, and local investment opportunities.

We are excited to share that Seth Graves owner of Magnolia and Steel in Scottville has started a series called "Come Have A Seat".

This is a new spot in his shop that was made possible in part with a 2025 Backing Small Business Grant. You can find the link on their FB page and listen in on YouTube!

We also love the MS on the shelf which we know is for his business, but MS is always Main Street to us!

To add to the Downtown Pikeville Events Calendar, please contact Lisa Pinson (606) 794-4514 or lisa.pinson@pikevilleky.gov

This is a great way to let your community know what is taking place in the community. If you are interested in learning more reach out to Lisa Pinson in Pikeville for more information!

You never know who will drop in when you have a board meeting. President Lincoln even gave us some special pennies. He will be celebrating his 217th birthday Thursday February 12th.

We also watched as MS director, Jill Reed and board chair, Aaron Grabanski, filmed a 250 segment for February.

World Atlas has recognized LaGrange!

Our KYMS communities work hard to keep residents engaged as mentioned in this article and people always say, there's just something different about Main St. communities!

THIS IS THE MOST WELCOMING TOWN IN KENTUCKY

A study from the American Psychological Association found that over half of US adults feel isolated often or some of the time. While disconnection appears to be on the rise, some communities are actively working to keep residents engaged, with today's spotlight falling on La Grange, Kentucky.

Established in the early 19th century and developing into a major railroad hub, this town of around 10,000 sits about half an hour outside Louisville, today hosting chocolate crawls, farmers' markets, and summer concerts that bring the community together. Complementing these events are its countryside inns, coffee shops, and farms that provide a remarkable level of hospitality. La Grange is waiting for you this year, and the following events and places are just where you will want to be.

To read the article visit: <https://www.worldatlas.com/cities/this-is-the-most->

Such a fun idea in Bardstown! Here are just a few cool displays for

Enter at participating businesses beginning February 9 through February 13. Must be 18 or over to enter. No purchase necessary to enter. Winner will be notified.

Let's play name that director. One is easy. We had fun last week with Chat GPT in creating our caricatures. How well do you know us? How did GPT do? We think they did well.

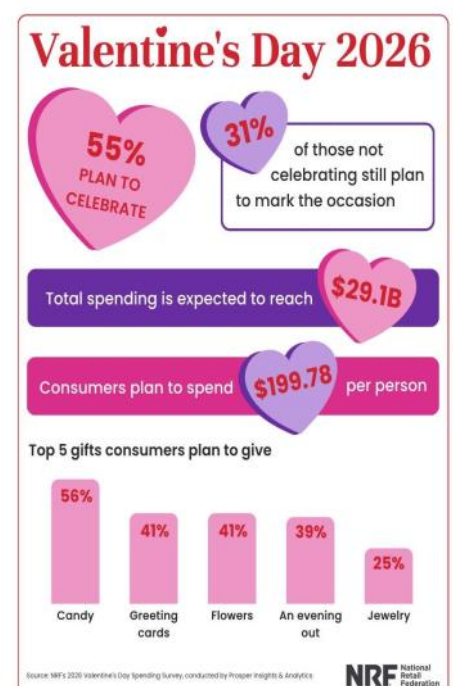

Chat GPT can be fun or it can be help. It can be another tool in your toolbox, but just like in school, always check the work.

(not ours, but some caricatures had extra appendages)

Spread the word! This month's special just for you! Contact Steve at Orders@makinggoodscentz.com

December snow kept many of us from attending this important leadership training opportunity, but we're excited to have a second chance on March 27th.

This is designed for anyone who is in a leadership position in their community including Main Street directors, local officials, etc.

Note that scholarships are available. Reach out to Dr. Huston for more information.

PUBLIC LEADERSHIP CERTIFICATE PROGRAM

POWERED BY

Advancing The American Dream

Stakeholders will learn how to encourage vibrant community growth by adopting bottom-up development approaches. By focusing on systems thinking, participants can help create solutions to complex issues and lead holistic initiatives within an asset-based framework to help their community achieve the American Dream.

- Economic Developers
- Community Developers
- Development Board Members
- County Judge/Executives & Magistrates
- City & County Administrators
- City Mayors & Councilmembers
