New murals in downtown Cynthiana!

There's a really cool wing mural going up in Cynthiana by Cynthiana's own Wylie Caudill.

Get fit in downtown Covington!!

NEW BUSINESS: The City of Covington welcomed WellFit to its downtown business district on Wednesday. Located in the Madison Flats building at 807 Madison Ave., WellFit is family owned and operated and provides personal training in a small group or individual setting with a holistic outlook that combines health, fitness, and wellness.

Check out Murray Main Street Farmer's Market new T-shirt peas!

It was a beautiful night for Dinner in White in downtown Pikeville! It is amazing how our Main Street organizations and directors transform their downtowns! Minta Trimble and her MS board did an awesome job!

It is always a treat to see former first lady and Kentucky Heritage Council board member, Judy Patton.

A lot of effort went in to the table decorations! There was even a bubble machine!

And the night always ends with sparklers!

Another type of preservation work that is being done by hand can be found through this young woman's work. This will be good to share with your local museums & historical societies.
