Main Street Monday!

We're back in business! Great signs from Bardstown Main Street. Everyone was excited to have a picture taken and to let people know they were open.

The signage from Los Two Brothers in Beattyville made you want to go in!

TEAM KENTUCKY

JUNE 8

Happy Birthday, Kentucky!

JUNE 1, 1792

Today let us celebrate our state and each other.

May this new month be a new beginning of peace and understanding.

In light of recent events that have affected businesses of all kinds across the nation this is an important document to provide to all your downtown businesses and share on your social media/web-sites to assist everyone.

This is important for any business to have in case of any emergency, be it fire, theft, weather related and more.

It is important to have a disaster plan.

Please keep other Main Street communities in your thoughts as they and their businesses have suffered damage during the events taking place across the nation.

The American flags that fly in La Grange from Memorial Day to Veterans Day are in memory of Oldham Countians who made the ultimate sacrifice for their country. Each flag represents a hero that died in combat.

Some quotes from the Unconference. You can view the sessions at Proud Places on Facebook. They were really good and for a wide audience.

Covid-19 is not stopping us! We have a lot going on in our communities including new businesses opening! We can't wait to visit this new shop in downtown Cynthiana. It is a Boutique style baking shop. Offering Frozen doughs including bread, buns, rolls, pizza and pies. Also offering flours, spices, snacks of all kinds. We also carry a large selection of cookie and cake decorating options.

More happiness in Maysville!
