Reminder on Quota Retail by the Drink Change

This is just an FYI

Quota Retail by the Drink Change

As of June 7, 2018, quota retail drink licenses are now treated the same as all other alcohol licenses that cities may issue due to the regulatory repeal of 804 KAR 9:051. This means that any city that does not have a limitation on the number of quota retail by the drink licenses placed upon them by statute, like the City of Ashland does, may issue these licenses in the same manner that any other alcohol license sought from the city is issued. In the last legislative session, Senate Bill 110 codified the quota system as to quota retail package licenses leaving the status of quota retail drink licenses relatively unchanged. Therefore the regulatory repeal now means that the license is treated the same as the other 28 city alcohol licenses that a city may currently issue under KRS 243.070.

50 Charming American Towns You've Never Heard Of
Hit the roads less traveled.

Congratulations to Bardstown! They were listed as one of the 50 most charming towns by House Beautiful. You will get to experience that charm in just a few weeks!

The clock is ticking!
Proposals for National Main Street conference sessions are due next Friday, August 8th!!

Last week we enjoyed a visit with Stephanie Burden and her board chair, Bonnie Skinner. Not only is Stephanie the Main Street director, but she is also a thriving business owner. When she is not out on the streets or in the Main St. office, she can be found at the Flower Depot, florist & gifts.

We were excited to welcome Liz Parham, North Carolina state coordinator, to KY last week. They had planned a trip up east, but the bad weather changed their course. It was great to see her and she got to see several KYMS towns.

There's a beautiful new piece of public art on Main Street in Shelbyville. It is amazing what artisans can create for your community.

From flat to form!
The 15 ft. stargazer lily is awesome.

We had a great turnout for our summer workshop!

A big thanks to Troy Hearn for assisting us and to all our directors who shared their expertise. An extra big thank you to Simone Balazs and the team at UK CEDIK program for providing all of our communities with ESRI data!

Here are a few photos from the workshop. We LOVE having our directors share expertise with us and learning from each other. The network engagement is wonderful. Pictured are Katie Meyer-Covington, Julie Wagner-Harrodsburg, and group photo Jody Robinson-Bellevue sharing with the group including Nick Wade-Danville, Nell Haydon in green-Springfield, Brittany Cradic- London, Donna Logsdon- Campbellsville far back, Randi Mouser- Bardstown, & Deana Wright- Murray.

There's a new store to visit in Bardstown!
The Kentucky Bourbon Marketplace is now open.

Posh Apparel had a ribbon cutting July 25th they are located at 235 West Main in Danville!

And Blooming Sensations has opened in the Old Library in downtown Beattyville!

It's great to see so many new and expanded businesses in our KYMS communities!

Check out Renaissance Covington's Facebook page for a listing of all the activities taking place outdoors and more!

A little hard work, A LOT of [#CovCommunity](#) and some design fun...and we're ready to PLAY on Thursday August 2nd! Madhatter Park is about ready [#MadhatterPark](#) (Trees generously donated by [Gus Wolf](#) of [Wolf Tree Farms](#)!)

New T's in Scottsville !

Don't forget to keep track of all your volunteer hours!!!

Meet one of Danville's youngest volunteers, Drayden Polston! He enjoys helping with our Lawn Chair Theater movies, and has perfected the art of assembling the blowup movie screen. He even volunteered to promote our new Heart of Danville T-shirt, and doesn't it look great on him! We love our volunteers, and we wouldn't be able to do what we do without them, even the younger ones!

The Main St. Perryville Snappin' Chaplin River Turtle Race was a huge success!!!

Exciting news from Tracie Robinson-Guthrie. It's made even more special when you read her personal note!

Congratulations to our newest businesses owners in downtown Guthrie!

Brent and Victoria Slack are the proud new owners of the American Cafe in downtown Guthrie! The restaurant will be closed temporarily for a few renovations....we will post the opening date very soon! We are excited for you both and wish you nothing but the best!

On a personal note, being the Main Street director for 16 years it is always awesome to see any new business open in downtown, however when it is your own kids investing in the place we all call home..... it makes your job a little more awesome! Proud of you both! Stay Humble, Trust God, Work Hard

Guthrie Street a post.

From Tim E. Smith in London,

I mentioned pride of ownership recently & this striking addition to London Downtown is a prime example! Sharon Bengé purchased the Patton property, formerly Laurel Florist & Hoskins 5&10, & transformed it with the help of local contractor Dane Gilpin & Gilpin Construction. This beautiful structure is home to Northwestern Mutual, Bojangle's local corporate office with space for additional rentals. Sharon dedicated this virtually new building to her husband, long-time businessman Charlie Bengé. Hats off to Sharon for making this investment in our downtown, may others be inspired to do the same!

There was a special baker at Q&A Sweet Treats bakery in downtown LaGrange recently. Keep your eyes open. We're sure he is a great baker. He has years of experience!!

Main Street directors are such a talented bunch. Tony Pence-Morehead cranked it up at the Taphouse this weekend. Tony also hosts Bluegrass Railroad on MSU radio every Saturday. You can tune in online at WMKY 90.3 <http://www.wmky.org/>

Join these Main Street ladies for National Girlfriends Day on Aug 1st

Beverly Ingram is another Main St. director and successful business owner. The Red Scooter is a great antique and gift store. And did we mention she is also a city council member. Beverly is a hardworking lady!!
