37th ANNUAL
**Arts · Crafts
& Antiques
FAIR**

The Bardstown Arts, Crafts & Antiques Fair presented by LG&E and KU is a juried fair with more than 200 artists' booths. The two-day event is free and open to the public. The Fair is held in Bardstown's historic district filled with tree-lined streets and beautiful lawns. The following areas will encompass this year's fair – West Flaget Ave, North Fourth Street, North Fifth Street, Xavier Drive, Spalding Hall Lawn, City Hall Lawn, City Hall Parking Lot and Parks & Rec Parking Lot. With over 45,000 people in attendance last year. The annual Bardstown Arts, Crafts & Antiques Fair is a major fundraiser for the Bardstown Main Street Program. All proceeds are returned to our downtown community through family-friendly events, beautification projects, historic preservation efforts, and supporting small business. The Bardstown Main Street Program works hard as an organization to continue to make downtown Bardstown a historically modern place to live, work and play. This is one of the areas favorite events year after year.

THURSDAY, OCTOBER 12

Downtown Pineville

We've all heard it said in the past.....Beattyville is going to become a ghost town if something doesn't change. Well, things are changing alright, but in a positive way. So, we're going to put a positive spin on that whole "ghost town" thing. During the month of October we wanna become a "town of ghosts". We are encouraging all our businesses to decorate their store fronts with a ghost theme. The City and the Downtown Beattyville Alliance (Beattyville Main Street) will add ghost decorations to our lamp posts on Main Street. And, as in years past, the Woolly Worm Festival Committee will make town look beautiful with fall decorations. Our community has so much to be proud of! Let's join together and make it a place everyone wants to come see. Promotion sponsored by the Downtown Beattyville Alliance, Beattyville Lee County Tourism and the City of Beattyville.
