## Main Street Monday!

We welcome a new director in Bardstown.

Randi Mouser will begin as the new director on May 21st. She has been employed by the KY Standard as an Advertising Sales Rep since 2012. Randi is not stranger to Main Street. She has been a volunteer for Bardstown Main Street program for several years!

May is one of our favorite months!

It is a great time to celebrate all the wonderful places in your community across the Commonwealth that tell the authentic story of Kentucky and our downtowns.

If you have special events happening be sure to share that with KYMS so that we may help get the word out and also share your information with Kentucky tourism.

Don't forget to participate in the NTHP photo contest too!!

**May we remind you:**  
Applications for **2018 AARP for the Community Challenge** are due by **May 16**  
Session proposals for the **2018 AARP Livable Communities National Conference** are due by **May 31**

One of our favorite Derby things in downtown Frankfort, the horse picnic tables. Easy to replicate for any event in any community. Can't you see a fish head on one and tail on the other. Lots of ideas for Trail Towns!

This past week end I traveled through the Main  
Street community of Sylva, NC. I didn't know it was  
used in the film, Three Billboards Outside Ebbing  
Missouri. They have information on the sidewalks in  
front of the buildings that were used.

I wanted to share a few things from their community  
that could be R & D.

While looking at their beautiful geraniums on  
the street I also found a bit of Kentucky !

This is very similar to what Renaissance Covington did last summer.  
These are on the actual buildings.

Who knew? What is your  
town famous for? Is it on  
your sidewalks somewhere?

# Eyesore to Asset: Redeveloping Distressed Properties

The Division of Compliance Assistance (DCA) and the City of Bowling Green are hosting a workshop focused on breathing new life into distressed properties in your city.

What will you learn?

- Understand how brownfield redevelopment benefits neighborhoods and community stakeholders
- Brownfield issues, programs and grants and the opportunities they present.
- Network with commercial lenders, developers, environmental attorneys and government and private brownfield experts.

This workshop will be held 9:00 AM — 3:30 PM Central Time, May 16, at the WKU Knicely Conference Center, 2355 Nashville Road, Bowling Green, KY.

The event is free, but registration is required. You can register on-line at.

If you have questions about this training, email [envhelp@ky.gov](mailto:envhelp@ky.gov) or call us at 502-782-6189.

Sponsored by EnSafe Inc.

We talk about Middlesboro being “Greater in the Crater”, this photo shows where the crater hit and the historical marker gives a bit more information of how this happened.

## BRIDAL WALK 2018

Perryville Main Street Perryville invites you to join us for our very first Bridal walk. We will have many different vendors throughout downtown ready to assist you with all of your bridal needs. Brides will get in FREE and all others in your entourage will be \$5. Registration is a must for this event as we will be giving away a bridal package you won't want to miss out on. We will also be offering tutorials throughout the day.

Will you be the next Great American Main Street? Applications are now live! Submissions will close at midnight CST on Friday, June 22, 2018. The Great American Main Street Award (GAMSA) recognizes communities that exemplify the use of the Main Street Approach to revitalize traditional downtowns and neighborhood business districts.

Pineville director, Jacob Roan, is excited to make this announcement. Jacob is the chair of this years festival and is the third generation in his family to do so. Come be a part of the tradition on May 25-26

The 2018 KMLF is excited to announce a partnership with the Department of Agriculture's Kentucky Proud program. As part of the partnership, we are pleased to announce Commissioner of Agriculture, Ryan Quarles will have the honor of crowning the 2018 Queen. The partnership has allowed us to create unique menus that will be comprised of foods produced in Kentucky at many of our Director's and public events. Extra efforts have been made to purchase locally and to use products made in the Commonwealth. We even hired a new carnival that is based in Ken-
