- No business license required and a simple occupational tax.
- A variety of historic buildings available on Main Street, surrounded by well-established, locally owned businesses.
- The City of Beattyville and Kentucky Department of Transportation have secured grant money and are investing in the downtown beautification and street scape projects.
- Hardworking people who are invested in the success of the local economy.
- Great geographic location near the Red River Gorge, Natural Bridge, and the Birthplace of the Kentucky River.
- Home to highly active community development organizations such as the Downtown Beattyville Alliance and the Lee County Tourism Commission who both cross promote local businesses online.

Storybook Walk "How the Grinch Stole Christmas"
Dec. 14th 4-6 pm **Downtown Williamsburg**

Our favorite event is back! The storybook walk will feature pages from the classic book, "How the Grinch Stole Christmas." The book pages will be displayed around the courthouse lawn. Free books will be given away to families while supplies last and the Grinch will be available for pictures, too!

The event will begin at 4pm and will last until the Williamsburg Christmas Parade reaches downtown Main St. by the courthouse. We are excited for this great event!

Love these new T-shirts from Main Street Winchester!
