Main Street Monday!

It's here!!

While we support our small businesses every day this week receives a lot of national attention to Shop Small!

We hope everyone will wear plaid on Friday and shop small in our locally owned businesses and participate in national Shop Small Saturday. We also want to support our local artisans on Sunday many of them have items in local galleries and shops and they may have pop ups as well.

Small businesses are and have always been the backbone of our communities and with our help will continue far into the future.

We have exciting news to share from LaGrange Main Street!

Big Announcement: LaGrange has been chosen to be one of six small towns featured on a brand-new show from HGTV called Home Town Kickstart, in collaboration with PEOPLE Magazine. Thousands of towns across America submitted applications and we are honored and proud that LaGrange, the Kindness Capital of Kentucky, was selected. That's all we can share right now, more details will be coming in future.

It has also been written up in Southern magazine as one of the six communities selected for a revitalization in HGTV's new show. It is a new renovation series that follows popular HGTV hosts as they breathe new life into communities in need of rejuvenation. *The five other communities to be featured in Home Town Kickstart include Buffalo, Wyoming; Cornwall, New York; Winslow, Arizona; (bet they stand on the corner) Thomaston, Georgia; and Minden, Louisiana.*

For those who may not know, LaGrange is located just outside of Louisville, is home to roughly 8,000 people. It was named the "Kindness Capital of Kentucky" in 2019 after two young residents, sisters Raegan and Rylyn Richins, launched a nationwide "Be Kind" sign campaign.

Nate Berkus and Jeremiah Brent, Ty Pennington, Jasmine Roth, and Alison Victoria are among the experts who, with support from *Home Town* stars Ben and Erin Napier, will lead three projects in each town. An HGTV dream team will refresh the home of a local hero, give a small business a beautiful upgrade, and reinvigorate a public space to enhance the residents' quality of life and engender community pride. The show will air in the spring of 2022!

PAINTSVILLE MAIN STREET

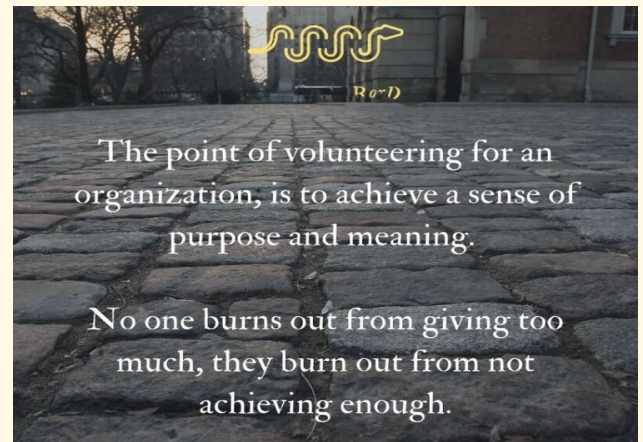

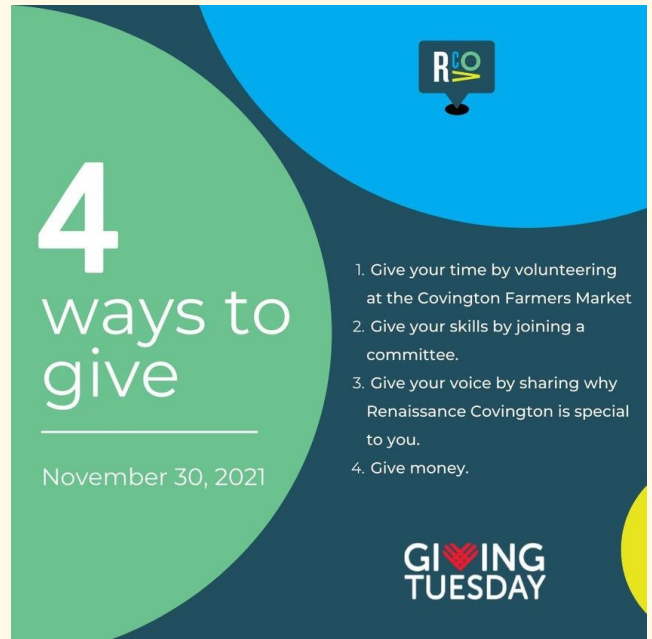

Giving Tuesday is November 30, 2021. It's a great day to support your local Main Street organization. Money raised is put back into the community

for the betterment of all, but as Covington shares there are more ways to give. Your time, your talent, your voice all help us move our communities forward. Please consider giving a donation. Let your local organization know you want to join the team be it a committee member, a monetary supporter, help with and event or their biggest cheerleader. We all can make our towns a better place when we work toward the same goal. It is the big picture and small pieces do make it whole.

Main Street will provide you with a purpose and meaning. Contact your local director today!

Applications for Inclusive Backing small business grants, presented by [American Express](#), are now open! Underrepresented small business owners in older or historic commercial districts can apply for grants of \$5K each as they navigate the pandemic and plan for long-term success and resilience.

In partnership with [Asian/Pacific Islander American Chamber of Commerce & Entrepreneurship](#) and [Disability:IN](#), the first grant cycle will provide grants to both small business owners with disabilities and/or those who identify as Asian, Asian American, and/or Pacific Islander.

Applications close at 11:59pm CT on Nov. 29. Learn more and review terms <https://bit.ly/3CoFL5h>.
