HOW COOL IS THIS!

Pikeville Main Street had our very first Red Carpet Event featuring Southern Steel Tattoo on Second Street. The Red Carpet Events hosted by Main Street spotlight businesses, employees and services they bring to downtown. We literally roll out the red carpet and let them know we appreciate their choice to be in the Main Street District.

Where am I? Where do I want to be? What's available?

Wayfinding Signage is at the top of everyone's list. How do we get people where we want them to go? Lexington was one of the first to do this with the horse Lexington in Blue. Wayfinding does not have to be boring. This is an opportunity to build upon your identity and/or have public art. Anyone can have a street sign to show you where to go, but is that interesting? Is it unique? What will set you apart from the others? There are several companies out there and the range of pricing is wide. Choose wisely, do your research and that this opportunity to do something unique for your Main Street communities.

Director Spotlight 2015

Jeff Thoke — New Castle

Where are you from and where do you live now? **Born in Memphis, Tenn. Live on a farm in a 1865 farmhouse in Trimble County**

How long have you been a Coordinator **8 years**

How did you get involved with the Main Street movement? **I've been in all of the lower 48 states and across most of Canada and have enjoyed getting off the main roads to enjoy small towns. Nothing like rural America. When the position became open here in New Castle I jumped at the chance to become the Main Street Director.**

Which of the Four Points is your favorite? **Promotion**

What project is consuming most of your time right now? **Trying to save the historic Grand United Order of Odd Fellows Washington Lodge #1513 building which was begun by former slaves in 1872. This group acquired this building in 1886 and will celebrate their 130th year in this building next year. It is absolutely imperative we save and renovate this building.**

Do you have any favorite activities or hobbies? **My main interest other than Main Street is doing what I can to honor WWII Veterans while there is time to do so. Recently flew on two Honor Flights to DC which was incredible. Most WWII Vets are entering their 90's with 500 to 600 passing away every day. About a million of the 14 to 16 million are left and in 5 years a large majority of them will be gone. . These men and women of the Greatest Generation changed the world for the better and deserve our utmost respect.**

What is your favorite author or book? **Take a guess.....any book by Stephen Ambrose regarding WWII**

What is your favorite movie? **HBO's Band of Brothers**

What is your favorite song or band? **America. A Horse with No Name**

What is your favorite sports team? **UK Wildcat Basketball**

Which actor/actress would you choose to play you in a movie? **I am blank on this one.**

Name something you can't live without. **Chocolate**

If you had an alternative career, what would it be? **Love to be a tour guide....might still do this down the road.**

What's the most adventurous thing you've done recently **Drove 120 mph on the Autobahn in Germany a couple months ago. Wow what a thrill. And legal too!!**

If you won \$20 million in the lottery, what would you do with it. **Fly as many WWII Vets to World War II Memorial in DC as I could. With whatever is left would love to buy a small town.....How crazy is that??**

Somewhere you would like to visit **Australia**

Something no one in Main Street knows about you. **Took a 4 month trip in a van in the 70's traveling across America. Oh the stories I could tell.....**

Experience the South
Southerners love to celebrate their favorite foods and nowhere do folks like food or celebrations more than in Trigg County, Kentucky. For 38 years, visitors have been helping us celebrate our favorites. Famous and infamous have celebrated with us during the second weekend in October. Come help us celebrate!

Come for the Country Ham
Country Ham is Trigg County's "claim to fame." On Saturday morning you can watch the world's 2nd largest country ham biscuit in the making and then take a bite for yourself.

Enjoy over 200 vendors
From all kinds of food to craft booths; antiques, carnival rides, petting zoo, game and Saturday night fireworks. Come sit, relax and listen to original music at the "WKDZ Renaissance Stage" while you eat a funnel cake, ham biscuit or other savory foods cooked here.

Stay for the Hospitality
Come and enjoy the "county fair" feel on a larger scale. Hopefully this will bring back some fond memories. Stroll through historic downtown's antique and gift shops. Be sure and check out our "Award Winning" Quilt Show which is located at the Janice Mason Art Museum. We have our Trigg County Country Ham Festival Cookbook, T-Shirts and Christmas Ornaments for all to purchase as a nice keepsake of our southern hospitality.

Please no pets except for those assisting the visually impaired.
