

**Kentucky Heritage Council / State Historic Preservation Office  
Cultural Resource Management Consultants Available for Investigations in Kentucky**

Based upon information submitted to us, it appears the individuals representing the institutions and firms listed below meet the qualifications established by the Secretary of the Interior for professionalism in archaeology, history, or architectural history and can carry out Section 106 assessments for federally assisted undertakings in Kentucky. Inclusion on this list does not constitute a recommendation or an endorsement of any kind and we are not responsible for the work performed. Consultants can make recommendations but should consult with our office before deviated from the traditionally accepted standard archaeological methods.
